

WHY GO TAGLESS?

Inkcups Now Tagless Pad Printing is the newest evolution in garment tag labeling and the most cost-effective and flexible alternative to heat transfer or sewn-in labels.

With Tagless Pad Printing, you can print neck labels directly onto apparel—from underwear and shapewear to active wear and outerwear.

- MAJOR COST SAVINGS
- THE MOST COMFORTABLE LABEL EVER
- ENTIRE LABELING PROCESS CONTROLLED IN-HOUSE
- SIMPLE AND FAST—UP TO 1000 PRINTS PER HOUR PER MACHINE

WHY INKCUPS NOW?

Successfully working with many of the world's largest brands, Inkcups Now is the ideal choice to take you Tagless. With over 2000 global installations, we have the equipment and experience to educate, install, train and guarantee a successful tagless installation—large or small.
